

Antique Cobble I & II

This popular, medium-sized paver is an all-purpose paving stone. Its soft, rounded chamfer “bread loaf” top surface is a respectful replica of old-world cobblestones. Both standard and tumbled textures are exceptional choices for entryways, driveways, patios and pools.

Stocked Colors:

See page 2 for color swatches and list of stocked colors.

*Available in standard and tumbled textures.

*Antique Cobble II is available in blended colors only.
