

## Courtyard Stone

Available in both a standard and a tumbled texture, Courtyard Stone has the classic, indispensable look that offers a timeless appearance. Tumbled, it can add the depth and warmth reminiscent of a timeworn, cobbled pavement while the standard texture is classic and clean.

The larger format 15x15 Courtyard Stone is great for step treads, pool coping, as a border to the Courtyard Combo Stone and can also be mixed into the Courtyard Combo Stone to add a larger paver pattern to the Courtyard Combo Stone.

### Stocked Colors:

See page 2 for color swatches.

\*Available in standard and tumbled textures

Shown: Sand-Stone-Mocha Courtyard Stone installed in an ashlar pattern with a solid Mocha Holland border. The planter wall and fire pit are Stonewall® II in Sand-Stone-Mocha.

**NOTE: ALWAYS VIEW PRODUCT SAMPLES PRIOR TO INSTALLATION** The color and texture of Angelus products are not specific to any product or groups of products. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. Not all products are stocked in all colors. Charts with more product related color availability are shown from product pages. Colors and textures represented in print and online are as close as possible to the actual product. Photographic techniques, printing techniques and viewing monitors – as well as actual viewing conditions – can alter perception of color.
