

TIMBERLINE

The newest addition to Angelus Paving Stones is the Timberline concrete paving slab. Timberline is meticulously crafted to look like natural wood plank pavers. It combines the rich look of wood grain textures with the durability and long lasting beauty of concrete pavers. It is perfect for backyard pool decks, patios, walkways and entryways. Timberline is designed for pedestrian applications only.

NOTE: ALWAYS VIEW PRODUCT SAMPLES PRIOR TO INSTALLATION The color and texture of Angelus products are not specific to any product or groups of products. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. Not all products are stocked in all colors. Charts with more product related color availability are shown from product pages. Colors and textures represented in print and online are as close as possible to the actual product. Photographic techniques, printing techniques and viewing monitors – as well as actual viewing conditions – can alter perception of color.
